

LITTLETON HAS  
MINORITY REPORT

Washington, July 22.—Representative Martin Littleton, of New York, today submitted to Chairman Stanley and the majority of the steel trust investigating committee a minority report which he will submit to the House of Representatives. In it Mr. Littleton agrees with some portions of the Stanley report, but disagrees with Mr. Stanley's proposals for trust legislation. Representatives Best, of Texas; McMillan, of Maine; and Bartlett, of Georgia, will sign the Stanley report.

The Democrats will meet with the Republicans to-morrow and review the two Democratic reports. Later the Republicans will file a minority report. Representative Littleton's recommendations will include a joint commission of the House and Senate to undertake a revision of the laws. To this committee would be sent all legislation relating to trusts.

He will also recommend a plan of Federal supervision of corporations doing an interstate business which will be neither a Federal license nor a Federal incorporation.

Mr. Littleton will submit no bill, but will suggest the advisability of enacting legislation which would be to permit corporations to ask to do business under regulation by the government.

**Dixon Awaited in Denver.**

Denver, Colo., July 22.—Senator Joseph Dixon, campaign manager of Colonel Roosevelt, is expected in Denver today to make an effort to harmonize the differences of the progressives in Colorado, according to an announcement today.

**Hospital Lighted by 2,000 Candles.**

New York, July 22.—Two thousand candles were used last night to light the new hospital for the poor at the corner of 10th and 11th streets. A storm had needed the dynamo room. A number of surgical operations had to be postponed until to-morrow.

**RANCH HAND TURNS BANDIT.**

**When Arrested Complains That His Spoil Had Been Small.**

Los Angeles, Cal., July 22.—Cornelius Hasselker, twenty-three years old, and a native of Ireland, charged by the police with various crimes, was said today by the officers to have told them he had become tired of being a bandit and had determined to become a bandit.

According to the police, Hasselker was employed until Saturday on a ranch. When he came and he realized he had earned only 75 cents he made up his mind, the officers said he told them, to try crime as a means of getting rich more quickly. He armed himself and came to Los Angeles. He waited until after midnight, so the officers said, and in less than two hours robbed three houses, one Chinese, held up two automobile parties and attempted to hold up two others. He was arrested in the business district and complained that the reward from his daring exploits had been small.

**CALM REIGNS IN PORTUGAL.**

**Republican Troops Continue to Patrol Scenes of Royalist Outbreaks.**

Lisbon, July 22.—Calm reigns throughout the country, but the republican troops continue to patrol those districts in which royalist outbreaks have occurred. The temper, the people is shown by the fact that the peasants fraternize openly with the soldiers everywhere.

Madrid, Spain, July 22.—Hundreds of refugees from Portugal are arriving in Madrid. Among them are several army officers and journalists, who have issued a statement to-day in which they say:

"We will go to America, Germany or Japan, if necessary, but we will never return to Portugal so long as the monarchy is not restored."

## WOULD SUCCEED LORIMER

House Republicans are figuring on a successor to Senator Lorimer. Governor Charles Deneen may resign his office to fill the position.

CLAIMS JOKER  
SLIPPED IN BILL

Washington, July 22.—Charging that a certain noted Senator had slipped a joker into an Indian land bill in conference, Minority Leader Mann today teased the rest of Representative Burke of South Dakota, Republican, one of the conferees. Mr. Mann announced that the change, which had not been considered by either the House or Senate, had been made with some ulterior motive, and charged that it would amend the bill to give Indians more than the five civilized tribes, to which the bill was supposed to be applicable.

"I resent the implication that something was slipped into the bill in conference that should not have been put there," said Representative Burke sharply. "It is an unfair implication."

The measure on which the conference report was based, is intended to remove restrictions from part of the lands of the five civilized tribes. A number of tribes now are included. Mr. Mann contended that as amended the bill would render the Indian an easier prey to the land sharks. He did not refer to the Senator by name.

**MUSICIANS' STRIKE A BLESSING.**

Charles Frohman Says Shows Are Better Minus Orchestras.

New York, July 22.—That the strike of the union musicians at a number of the New York theatres has proved a blessing in disguise is the opinion of Charles Frohman. He returned from Europe late last week, and it was not until Saturday night that he had an opportunity to attend a performance without orchestral accompaniment.

"Now that I have heard a play performed without an orchestra," Mr. Frohman said later, "I am obliged to ask myself if I have not for many years been doing a great injustice to authors by permitting the lines of their plays to be made inaudible by obese players and fiddlers."

"Last night I witnessed a musical comedy, and I assure you I heard every word of the lyrics and of the book, and I heard good singing voices. It seemed to me my hearing was doubly acute until I realized that the custom-ary obstruction of noise and moving

arms between the performance and me had been removed. My belief is that European theatres, those of London in particular, will follow New York and dispense with orchestras."

**SEVEN INDICTMENTS  
FOUND AGAINST RIOTERS**

Lake Charles, La., July 22.—The grand jury to-night in its report of the riot at Braboy July 7, between union and nonunion lumber mill employees, returned seven true bills and eleven not true bills. Inasmuch as out of the thirty-one arrests made only six men have been freed, it is believed that some of the true bills include a number indicted jointly. John Galloway and Paul Galloway, officers of the lumber company, at whose plant the riot occurred, were among the prisoners discharged. A. J. Emerson, president of the union, is among those still held.

Most of the arrests were made on the charges of murder and inciting to riot, but on what charges the indictments have been returned has not been made public.

## DEMOCRATS TO CAUCUS

**They Will Discuss Deadlock of Naval Conference.**

Washington, July 22.—Whether there will be built this year or two battleships or none, will be the principal subject for decision by the Democratic caucus of the House Wednesday. The call for the caucus was ordered yesterday. It followed on the report of the deadlock and that under the respective instructions of the Senate and House, there appeared to be no hope of a compromise in sight.

Members of the defense declined to say whether there was any connection between the determination not to have Tveitmo testify and the refusal of Judge Hutton several days ago to allow the defense a copy of Tveitmo's testimony before the February grand jury. At that time Tveitmo is said to have admitted receiving and cashing the check, but is said to have testified that the money was given him by Mr. Darrow for the purpose of paying certain expenses of the McNamara defense in San Francisco.

Attorney Leonie Davis, formerly of the McNamara defense, is expected to take the stand when the trial is resumed to-morrow morning.

SOCIALISM DENOUNCED  
BY BISHOP CARROLL

Chicago, July 22.—A parting shot at socialism was taken by Bishop John P. Carroll before he left to-day for his home in Helena, Mont. Before the conclusion of the Ancient Order of Hibernians, Bishop Carroll, chaplain of the order, stirred the delegates to adopt resolutions denouncing socialism.

His latest rap at socialist doctrines was an appeal to the workingmen of the country, especially organized labor, saying socialism was "economically unsound, false in its pretenses, and insulting to the intelligence of those who labor."

CASE OF HARRY THAW  
IS OFFICIALLY CLOSED.

New York, July 22.—The case of Harry K. Thaw, slayer of Stanford White, who has been fighting through habeas corpus proceedings in White Plains to obtain his release from the Matteawan asylum, was officially closed to-day, when William Travers Jerome, attorney for the State, submitted his brief to Justice Martin J. Keogh against giving Thaw his freedom. Justice Keogh will hand down his decision the latter part of this week or the first of next.

Mr. Jerome contends that in Thaw's two homicide trials the accused put in a plea of insanity and was exonerated because the alienists and jury believed him to be a lunatic.

NO RECEPTION FOR  
LORIMER IN CHICAGO

**Ousted Senator Home After Being Victim of Motor Accident.**

Chicago, July 22.—Former Senator William Lorimer, ousted from his seat in the Senate a few days ago, arrived in Chicago to-day. William J. Cooke and the Lorimer chauffeur, who figured with him in an automobile accident near Clayville, Pa., Sunday, were the other members of the party.

Lorimer went from the train to a waiting automobile. He would make no statement to the newspapers.

It had been planned to give Lorimer a reception on his arrival, but the sudden change in his plans prevented the demonstration.

## NOT TO CALL TVEITMOE

**Decision of Defense in Bribery Trial of Clarence S. Darrow.**

Los Angeles, Cal., July 22.—Neither Anton Johanssen nor Olaf A. Tveitmoe the San Francisco labor leaders, will be called to the stand by the defense in the bribery trial of Clarence S. Darrow. Both men had been summoned by the defense, and it had been expected that Tveitmoe at least would be called to testify concerning the check for \$10,000 he was alleged to have cashed in a San Francisco bank last September. The check had been endorsed by Mr. Darrow, and it has been the contention of the prosecution that the currency received for the check had been used by the McNamara defense for corrupting jurors and witnesses.

Members of the defense declined to say whether there was any connection between the determination not to have Tveitmo testify and the refusal of Judge Hutton several days ago to allow the defense a copy of Tveitmo's testimony before the February grand jury. At that time Tveitmo is said to have admitted receiving and cashing the check, but is said to have testified that the money was given him by Mr. Darrow for the purpose of paying certain expenses of the McNamara defense in San Francisco.

## DOUBLE WEDDING IN JAIL.

**Brides Serving Sentences of Fifty and Forty Days, respectively.**

Utica, July 22.—What's probably the first double wedding to be performed in jail in New York State took place in the Oneida county jail, at Rome, Jesse Hanson and Flora Granger, aged thirty-two and twenty-nine years, respectively, were married to Tony Lemma, aged twenty-eight years, and Sam Maritzell, aged thirty-three years.

The women were serving sentences of fifty-nine and forty days, respectively. As their time is still unexpired, the brides will have to spend the first part of their honeymoon in confinement and apart from their husbands.

## GENERAL STRIKE POSTPONED.

**Boston Labor Men Induced to Await Adjustment of Row.**

Boston, July 22.—Action in the call of the general strike of all union labor in Boston in sympathy with the striking street car men of the Boston elevated railroad had been deferred another week by the Boston Central Labor Union. The executive committee of the central body, which has been considering the advisability of a general strike, decided that it would accede to the requests of the Governor, Mayor and others that no such action be taken until those officials had done all they could to bring about an adjustment of the situation.

The strike of the Boston elevated employees has now been on for seven weeks. The strikers claim to have 1,000 men out, while the company asserts that the strikers number but 1,000; that all their places have been filled, and that all cars are on normal schedules.

The State board of arbitration and conciliation which recently gave a hearing on both sides is expected to make its report early this week.

REPORTS OF FRICTION  
ARE DENIED BY FLYNN

**Pittsburgh Political Leader Willing to Carry Out Colonel Roosevelt's Wishes.**

Oyster Bay, N. Y., July 22.—Former State Senator William Flynn, of Pittsburgh, came to Oyster Bay this afternoon to discuss the Pennsylvania situation. He denied the reports that there was a difference of opinion between himself and Colonel Roosevelt in regard to the selection of candidates for presidential elections.

"There's no truth in the story of friction in Pennsylvania," said Mr. Flynn. "Some of the newspapers have wonderful imaginations, that's all."

"Will there be a third party ticket in Pennsylvania?"

"Sure," responded the Pittsburgh leader. "At least," he added, "there will be Roosevelt candidates for electors. The rest of the Republican ticket is all right."

"What plan will finally be adopted?"

"I've got to see the Colonel," Mr. Flynn responded. "We will talk that over."

Mr. Flynn said he would probably spend all the afternoon at Sagamore Hill. He indicated that whatever Colonel Roosevelt wished would be acceptable to him, and that the object of his visit was merely to learn the Colonel's views.

Colonel Roosevelt said he could say nothing until after his talk with Mr. Flynn. To-morrow, he said, he will go to New York to meet the State leaders at the headquarters there.

## GOV. WILSON TO PLANT TREE.

**Will Mark Site of Lee's Surrender at Appomattox Courthouse.**

Washington, July 22.—Governor Woodrow Wilson, of New Jersey, has consented to plant a tree on the historic spot near Appomattox Courthouse, Va., where the South acknowledged it had reached the limit of its resources in 1865, when General Lee offered his sword to General Grant. The tree is to be planted on the site of the old apple tree under which the surrender took place. All traces of the apple tree have been removed by relic hunters, even the stump and roots having been taken away.

Major George A. Ames, U. S. A., retired, owner of the battlefield, has just returned from a visit to the historic spot near Appomattox Courthouse, Va. While there he extended the invitation and it was accepted. The date has not been set, but Governor Wilson hopes to make the visit within the next few weeks.

On Thursday the Caledonia sighted at Sagitt, N. J. While there he extended the invitation and it was accepted. The date has not been set, but Governor Wilson hopes to make the visit within the next few weeks.

BRIDES—COUNT 'EM—38—  
AND ALL ON ONE LINER

New York, July 22.—Nearly two-score brides-to-be—thirty-eight of them, somebody counted—were passengers on the steamer Caledonia, which came in yesterday from Glasgow. Approximately the same number of men stood fasted, but nobody counted them as the liner was docking. Many of the couples will be married in the city before leaving for homes in the West.

On Thursday the Caledonia sighted two small icebergs. She was in a position at the time about 500 miles due east of St. John's, Newfoundland, and was about to make her turn to the south to finish her trip to New York by that route. The bergs were about seven or eight miles distant.

Brooker, of Ansonia, said to-day that he was not a member of the executive committee of the Republican National Committee, as previously announced. ## DENEEN IS FOR TAFT

**Announcement Serves to Clear Illinois Political Situation.**

Chicago, July 22.—Illinois politics was declared by Roosevelt leaders to have been "much cleared" by Governor Charles S. Deneen's announcement in Springfield to-day that he would not adhere to the third party movement in the coming presidential campaign but would support President Taft.

On the heels of Governor Deneen's statement, given to a committee which went to Springfield to question him, Senator Joseph M. Dixon, Colonel Roosevelt's manager, declared: "That puts the Governor out of the progressive party and there will be a full third party State ticket in Illinois, with a candidate for Governor friendly to Colonel Roosevelt."

McCormick, head of the Roosevelt forces, announced that a third party ticket undoubtedly would be selected at the State convention in Chicago August 3.

## MOH WRECKS SANITARIUM.

**Nearly Completed Building Near Dublin Reduced to Pile of Rubble.**

Dublin, Ireland, July 22.—A nearly completed consumption sanatorium under construction at Lusk, near Dublin, under the auspices of the Lady Aberdeen and the Women's National Health Association, was demolished to-day by irate dwellers in the vicinity. A great mob, armed with ropes and pickaxes, first tore off the roof and then threw down the walls, leaving nothing but a heap of debris.
